Safe Solutions Enzyme Cleaner with Peppermint is the perfect household cleaning companion; safe, non-toxic and strong enough for any task. Will not contaminate people or the environment. Experience the awesome power of active enzyme.

**Directions:**

*Add enzyme concentrate to clean, pure water according to desired dilution rate. Mix solution. Apply cleaner to target areas using a spray bottle, mechanical sprayer, wet vac or pail for large areas.*

**Dilution Rates:**

*Light - 1/2 oz. per gallon (5 ml per liter)  
Normal - 1 oz. per gallon (10 ml per liter)  
Heavy - 2 oz. per gallon (10 ml per liter)*

**Ingredients:**

*Purified Water, anionic/nonionic surfactant blend, glycerin, enzymes, sodium borate*

*No artificial fragrances, colorants or preservatives.  
No animal by-products or laboratory testing used.*

**Precautions:**

*Avoid contact with the eyes to prevent irritation; immediately flush with water if contact occurs. In case of accidental ingestion, contact a physician. Do not allow children to handle cleaner unattended.*

**Identification:**

**American Patent # 6663860  
Australian Patent # 737578  
Ingredients are food-grade quality;  
Generally Regarded As Safe (GRAS)**
